

“My Grief is in Bursts!”
*Understanding and Supporting
Grieving Children & Teens*

Who should attend?

mental health professionals (social workers, LMHC, LMFT), teachers, school counselors & administrators, clergy, funeral directors and personnel, nurses, and hospice personnel who want to learn more to understand and help support our children & teens to *transform their own grief to hope*.

5 CEs & 5 PGPs approved through the NBCC and NASW-IN. social workers, LMHC, LMFT, NCC, school counselors, teachers, funeral directors and personnel

IN-PERSON Workshop: 9:30am—3:30pm

Up to date CDC & Local health guidelines will be followed. Masks are optional for persons who are fully vaccinated.

WORKSHOP LOCATION:

CEDIA 8475 Nightfall Ln. Fishers IN 46037

Presenter:

Carol Braden, LMHC
Clinical Director of Programs & Services at Brooke’s Place

Topics:

Grief Principles, The Grieving Child & Teen, Common Myths of childhood grief, Neurochemical response to trauma, Grief Tasks, Understanding childhood & teen grief developmentally, Natural Grief Reactions, Grief Support Tools, Activities & Resources

Learning Objectives:

- Professionals will learn unique ways children and adolescents internalize and express grief (grief tasks), which is different from adults.
- Professionals will gain knowledge in recognizing normal grief responses (reactions) in children and adolescents.
- Professionals will gain knowledge and understanding of how our brain development is impacted in bereaved children and adolescents.
- Professionals will gain knowledge of practical supportive tools and techniques, grief activities and grief resources to use when supporting a grieving child or adolescent.

2021 Professional Education Workshops

“This workshop was the best I have attended on grief - practical tools & materials provided, inspiring, thought provoking, knowledgeable and passionate presenter, comfortable atmosphere to participate, smooth flow and very organized. I left wanting more.”

children, teens, young adults and their families feel supported and understood
