HOPE FORE TOMORROW GOLF OUTING

Great Fun. Great Cause.

“Thank you to all of Brooke’s Place for being exactly what it is for. It’s a wonderful mission everyone there fulfills. What is more important than helping mend a broken heart? It’s with Brooke’s Place that we who attend are able to keep putting one foot in front of the other. We look around the group and see those who joined earlier than us and realize they are in a different place and there is hope. We look around and see those newest members in incredible pain and see we have moved to a different place. We have grown and survived and that gives us hope to continue our grief journey.”

“Brooke’s Place helped our daughter so much emotionally and for that I thank you. It was so important for her to see what other teens were going through, what she was, and that she would be able to get through it and be okay. We will always remember those we met along the way. Thanks for everything.”
